festival of fools program: limited edition of 2000

FESTIVAL OF FOOLS: a ballad

Once there was this foolish clown,
 Jango Edwards was his name,
 Who wandered into A'dam town
 And, well... fooling was his game.
 He heard of the sevenhundred
 And thought what could be done...
 He smoked a pipe and wondered
 That the fool had not a one.
 So, he organized a festival
 A festival of fools
 So, he organized a festival
 A festival of fools
 (repeat to your heart's content)

So, here we are... 700 years of Amsterdam & the 1st
 year of the fool. And what the blirp does it mean?
 Well,
 and
 ,so:
 Because
 , & that's why

 However,
 and but,
 of course,
 blah blah blah
 So, have a good time and keep smiling.

Remember: best 'fill-in-the-blanks' contest entry
 will win a prize.

JOHN BULL PUNCTURE REPAIR KIT

Who is Mr. Big?

What is going on?

What is he up to?

Will he get away with it?

When you have seen this show you may ask yourself:

JOHN
BULL

Is it worth being a master criminal?
Am I truly an honest citizen?
Has someone stolen my eel?
Where is my wallet?
Who is in my trousers?
What have I missed on television?

INTERCRIME

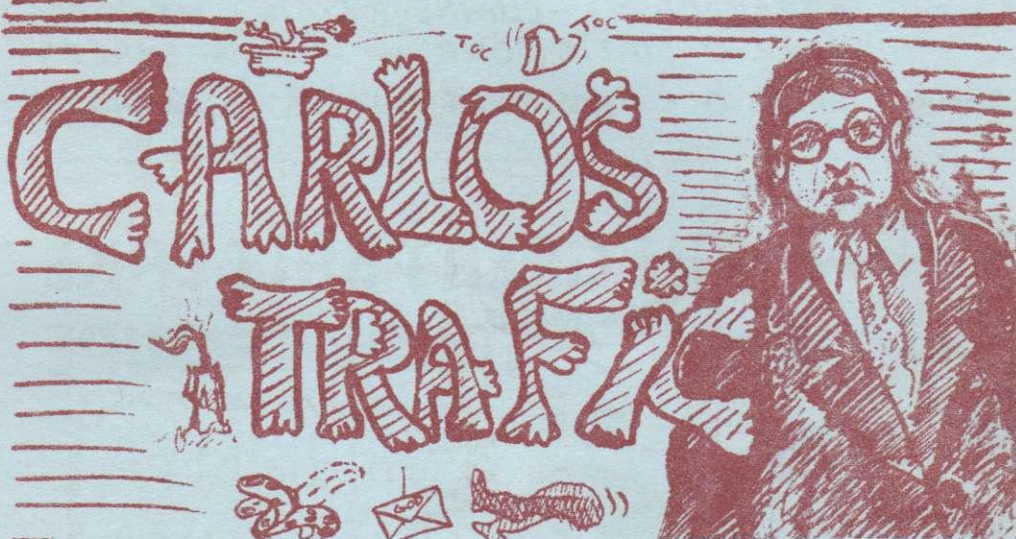

Unless you come to see the show you will never know.
Check your weapons at the door.

This town is wide open.
